18 & 19	Spirit Days – wear school shirts!
18 & 19	Pre-K Dino Days
22	Earth Day – wear green!
25 & 26	2s & 3s Insect Parades at 9:20am

Hello April! We have a wonderful month planned with our rodeo days, dinosaur days for our Pre-K paleontologists, and the cutest little insect parade with our 2s and 3s.

We only have two more months of school and we can see how much the children have learned and grown this school year. I am grateful for our preschool staff for creating classroom environments that allows each child to flourish so beautifully.

♥ Ms. Laurie

We appreciate you recommending PCCP to your friends and family. We still have a couple of openings in Pre-K for the 2024-2025 school year if you know anyone who may be interested. Thank you!

PCC Preschool will not be participating in outdoor activities during our expected time of the eclipse on April 8th. If you would like for your child to experience this event with family, we ask that you please pick up your child for the day after their lunch time. Your child's teacher will be able to coordinate that time with you. Thank you.

Our Bike-A-Thon last year was so much fun and with your generosity, we were able to purchase two pieces of imaginative playground equipment for the children. We will be hosting our 2nd Bike-A-Thon fundraiser in May. Details will be shared soon!

PCC Preschool shirts are available for \$10 each!

2s/3s Insect Parade
April 25 & 26
