2025 - 2026

Employee Handbook

WELCOME

Pflugerville Community Church Preschool is a program of the Pflugerville Community Church that seeks as its purpose to develop within children an enthusiastic attitude toward learning. It is our desire to help each child become aware of God's love and in so doing help each child realize that he is a unique and special participant in God's world.

Each employee of our preschool is selected because of special qualities, talents, and skills needed to create a well-balanced administrative, teaching, and support staff. Each member is part of the total staff, and all are dependent upon one another. Although specific responsibilities vary, all are charged with the total responsibility of working together in a united manner. The goal is to achieve harmony with respect, tolerance, patience, honesty, trust, and friendship.

Opportunities are provided to children between the ages of 18 months and 5 years that assist in varied areas of growth. A positive and accepting self-concept is encouraged while we seek to foster self-expression, curiosity, creativity, responsibility and imagination. We hope that each child leaves our program wanting to learn, enjoy playing and most important of all, feel loved and secure.

Employees of Pflugerville Community Church Preschool are the largest contributing factor in what makes this school the loving and caring environment that is. We ask that each teacher take a larger responsibility than just accepting a part time job. Developing good relationships with staff members, parents, and their children is crucial to the support of this program.

Pflugerville Community Church Preschool does not discriminate on the basis of race, color, nationality or ability.

PRIMARY GOALS OF THE CENTER

- To create a setting in which children will find warmth, comfort, and gentleness as well as an abundance of opportunities for movement, exploration, and self-discovery according to individual needs, interests, and abilities.
