## Adopt a Family for Christmas

For our annual Christmas giving, our preschool will be adopting a family close to our hearts. They are a family of 3 – a dad and his two precious girls; who both attended PCC Preschool. We would love your help in blessing this family with some items that they need, plus a few extra things they'd love to have too.

Please consider joining us in spreading the spirit of Christmas to a family in need. We will be sharing all the details soon. Thank you. ♥
